Forecast For East of England
Issued by Met Office Exeter
at 0400 on Wednesday 16 Jun 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Fine and hot, increasing risk of thunderstorms later Wednesday.

Today:
Dry with light winds and long spells of sunshine today. Sunshine possibly becoming hazy later in the afternoon. Very warm or locally hot with strong sunlight. Maximum temperature 30 deg C (86 deg F).

Tonight:
A dry start this evening, remaining warm. Thundery showers with hail and gusty winds pushing north across East Anglia from midnight. Showers locally torrential in places. Minimum temperature 15 deg C (59 deg F).

Thursday:
The heavy thundery showers with hail and gusty winds will continue to move north on Thursday morning. Becoming mainly dry with some sunny spells by late morning. Very warm. Maximum temperature 27 deg C (81 deg F).

Outlook for Friday to Sunday:
Further bands of heavy thundery showers will move northwards at times during Friday and Sunday, but with dry and occasionally sunny periods on Saturday afternoon and later on Sunday.
